

# Welcome to Rancho Arroyo de la Alameda

## and our 10th ANNUAL OUTDOOR BULB SHOW

● We are happy to have you with us to celebrate the tenth consecutive year of the Outdoor Spring Bulb Show. You will notice that this year the emphasis is on American-grown bulbs, presenting the finest daffodils and other Spring Flowering types in a representative showing.

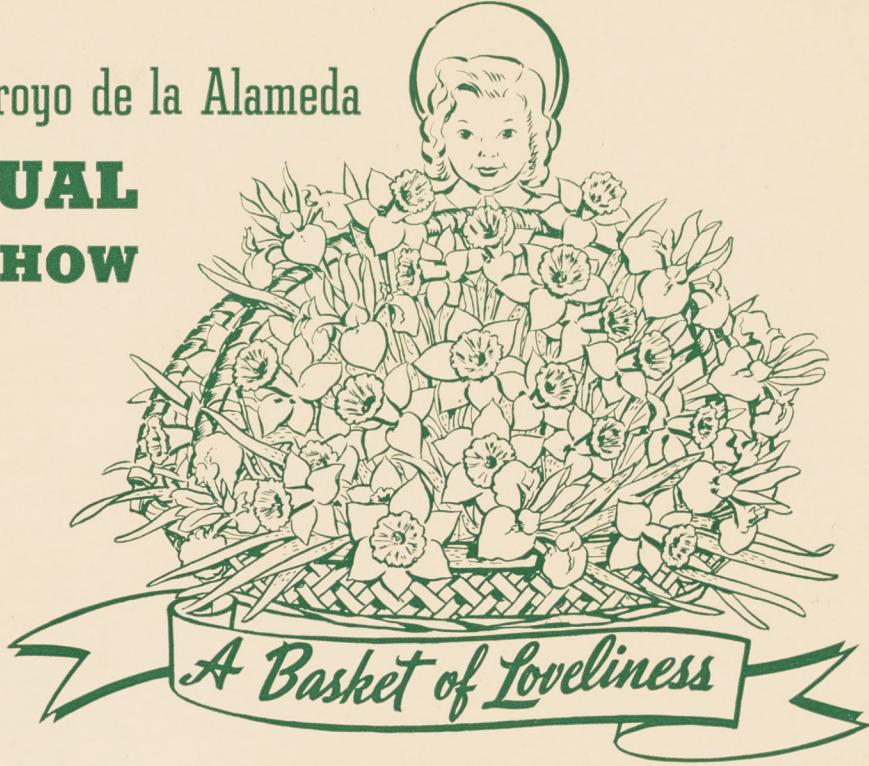

● The site of our nursery was the one-time scene of hospitality in the early California manner, and we endeavor to retain a trace of the spirit of those pleasant times. Wander through our Show Gardens ablaze with their bulbs in bloom . . . more than 100,000 of them . . . enjoy the guide-conducted tour of these 300 "Living Acres" in our sightseeing bus, and relax in the peaceful atmosphere of historic "Old Adobe," once the hacienda of the famous Vallejo family.

● Visit us often throughout the changing seasons. Here you have at your command the largest and most varied assortment of garden materials in the West . . . many new things . . . and a friendly staff of experienced people ready to help you with your plans.

● Through the Summer our Rose Fields in bloom are a colorful sight. At almost every time of the year you will discover new and different effects awaiting you here. Remember, our latch-string is always out.

SAVE MONEY . . . COME TO NILES  
(or our nearest Branch) and get 10%  
discount on ALL Cash Orders of \$5 or  
more taken with you. This saving applies  
to everything in our Garden Stores.

### DISCOUNT ON ADVANCE BULB ORDERS Placed NOW! . . .

Here are two good reasons for making up your bulb list and placing your bulb order for Fall delivery during your visit to the Bulb Show:

**FIRST**—You can see and compare hundreds of named varieties in bloom side by side. No catalog, even one with color illustrations, can offer an adequate substitute for first hand visual inspection. Also, limited stock in some varieties will not permit listing them in our Bulb folder next Fall. So . . . to make certain of the exact bulbs you want . . . order now.

**SECOND**—You receive a 10% discount on all advance bulb orders of \$2.50 or more placed at this Show. We protect you against any possible later price advances, but in the event prices should go lower your order will receive the benefit in terms of additional bulbs. A small deposit of \$1 paid with your order is the only requirement. Please ask a representative to help you plan your Fall planting list.

NOTE: Some of the tulips shown in bloom were imported from Holland before the war and will not be available next Fall.

VISIT THE ROTARY MODEL HOME OF THE CALIFORNIA NURSERY CO., OWNERS and subdividers of Old Adobe Village. Turn left at the gate and proceed one-fourth mile west along the Alvarado highway to the sign. An example of luxurious country living on a modest budget. Completely furnished by Breuner's. "Home Orchard" and gardens by California Nursery Co. Hostess on duty.

CUT FLOWER ARRANGEMENTS — EARLY CALIFORNIA MUSIC AND SONG . . . and a refreshing cup of tea or coffee at "OLD ADOBE" on Sundays.
